

IPRACONNECT

WHAT IS IPRACONNECT?

IPRAConnect is an environment where members can connect, engage and share information, resources and best practices with their colleagues in real time. Members can join communities and start participating in the discussions right away! **It is the easiest, most effective way to communicate with your Section members.**

HOW DO I ACCESS?

To access, click here: link to www.connect.ilipra.org. Login using the same login and password you use to access the members-only portion of the IPRA website.

WHAT IS A 'COMMUNITY'?

'An online community is a virtual community whose members interact with each other via the Internet. An online community can act as an information system where members can post, comment on discussions, give advice or collaborate.'

CURRENT COMMUNITIES *JOIN AS MANY AS YOU'D LIKE*

Administration & Finance Section Community	Human Resource Professional Community
Aquatic Facility Managers	IT Networking Community
Business Managers Community	Nature Programming
Communications & Marketing Section Community	Open Forum

HOW CAN IPRA SECTIONS USE IT?

- Post an upcoming meeting agenda/share meeting minutes on the Library page
- Wondering what kind of professional development opportunities your section members want? Ask them! Post a message on the Discussion page.
- Want to share information about an upcoming event? Add an Announcement!
- Have a question? Post it in any applicable community. Get feedback from other professionals who are ready to share their advice & best practices with you!
