

**FOR IMMEDIATE  
RELEASE:**

**Hoffman Estates Park District Preschool...there's an app for that!**

The Hoffman Estates Park District (HEPD) Preschool is now offering parents a new way to keep up to date with their child's school with SchoolInfoApp for iPhone®, iPad® and Android™ devices is now available. The tool enables parents, students, alumni, faculty and staff to quickly access all of the who, what, when and where for the preschool.

"I am very excited to be able to offer this feature to our families," said Nicole Chesak, HEPD superintendent of recreation. "Having their children's school information available at any time can really help parents plan ahead and be reminded of upcoming events, projects, fundraisers or important details. I encourage all our parents to download this free app."

"My favorite feature on this app is the push notification option. I can choose which program I would like to sync up with my phone calendar. It is always helpful to have a reminder sent directly to my phone," said Chesak.

This free tool can be found in the Apple App Store<sup>SM</sup> and Google Play by searching for "School Info". With it, users can:

- Opt-in to receive push notifications
- Keep up with the latest news and information
- View calendars for general events
- Add events and calendars to a mobile device calendar or share calendars
- Find teacher classroom contact info
- Get important newsletters and snack lists
