### The Illinois Park & Recreation Debuts New & Improved Website!

La Grange – The Illinois Park & Recreation Association (IPRA) website has a new look! IPRA recently joined forces with MemberClicks, a membership software provider established in 1998. MemberClicks provides refreshing technology solutions to small-staff membership organizations, thru public and members-only websites to online membership management and event registration.

Website visitors will still have access to their favorite features, specifically the online career center and event calendar, and we are pleased to now offer a more robust member directory and search features for our members. **IPRA Members will access Member's Only content using their same Username, to receive your new password click "forgot password" and it will be emailed to you.** We encourage members to set up their profile pages and to explore all the benefits of the new site!

*The redesigned IPRA website offers a refreshing, modern design coupled with easy-to-navigate functionality! We are excited to offer our website visitors an enhanced website experience.' – Debbie Trueblood, IPRA Executive Director*
