Up To  
**16%**

See pages 6-7 for more Frigidaire products.

# Let's Support Maintenance Education Programs Together

As presenting sponsor, HD Supply will contribute up to \$6,000\* to your local association's programs. Contributions are used to enhance many apartment associations' own programs, such as trade shows, education sessions, and maintenance appreciation days.

*Here is how to help your local association:*

- Purchase products during the promotional period from the sponsors who make Maintenance Mania possible.
- Use the 3-digit source code every time you order during the promotional period.<sup>†</sup>
- Place your order by calling **1-800-431-3000** or visiting **hdsupplysolutions.com**.

\*The maximum contribution is based on association unit count as reported by NAA. Payouts to associations with fewer than 100,000 units are capped at \$4,000. Payouts to associations with 100,000 units or greater are capped at \$6,000. Net qualifying purchases are gross purchases less returns, shipping, and taxes. Special order and renovation purchases do not qualify for this program. The payout is calculated as follows: 6% for purchases of any A.O. Smith, CFG, Fluidmaster, Frigidaire, Kidde, Kwikset, Moen, Motorola, Peachtree and Seasons products plus 4% for purchases from any other product in the HD Supply Multifamily Solutions catalog if the association achieves a threshold of \$1 in purchases for every member unit as reported by NAA.

<sup>†</sup>Using your source code ensures you will receive the promotional pricing offered by the national sponsors in the brochure and allows HD Supply to track all qualifying purchases.

Products identified as ideallygreen are better at supporting energy efficiency, water conservation, cleaner indoor environmental quality, proper disposal of hazardous waste, and/or the act of waste reduction than other similar products sold by HD Supply. Not all products identified as ideallygreen meet federal environmentally preferable purchasing requirements. To learn more about ideallygreen and to read the exact definition of ideallygreen products by product type, please visit [hdsupplysolutions.com/ideallygreen](http://hdsupplysolutions.com/ideallygreen).

## HD SUPPLY® FACILITIES MAINTENANCE

## Earn Up to \$6,000 for Your Association

With each order you place from HD Supply May 11 through June 12, 2016, when you use Source Code MSF, we will give a percentage of qualifying purchases to your participating association to use on multifamily industry education programs. Your association could receive a maximum contribution of up to \$6,000.

### Qualifying payouts include:

# 6%

of purchases of brands in this brochure

# 4%

of other HD Supply purchases

The maximum contribution is based on association unit count as reported by NAA. Payouts to associations with fewer than 100,000 units are capped at \$4,000. Payouts to associations with 100,000 units or greater are capped at \$6,000. Net qualifying purchases are gross purchases less returns, shipping, and taxes. Returns, shipping, taxes, special orders, and renovation purchases do not qualify for this program. The payout is calculated as follows: 6% for purchases of any A.O. Smith, CFG, Fluidmaster, Frigidaire, Kidde, Kwikset, Moen, Motorola, Peachtree and Seasons products plus 4% for purchases of any other product in the HD Supply Multifamily Solutions catalog if the association achieves a threshold of \$1 in purchases for every member unit as reported by NAA.

## ***Tony Infussi Is 2015 Maintenance Mania® National Champion***

Proud Sponsor Of

Tony Infussi took top honor as National Champion with a winning time of 1 minute, 16.295 seconds at the National Apartment Association's (NAA) 2015 Maintenance Mania competition in Las Vegas. Infussi, a member of the Maryland Multi-Housing Association and employee of Continental Realty Corporation, was among 20 finalists who qualified from a pool of thousands nationwide to battle in Las Vegas for the title.

The ninth annual competition presented by NAA and presenting sponsor HD Supply Facilities Maintenance was held during the 2015 NAA Education Conference & Exposition.

Racing against the clock, Infussi outpaced other highly skilled maintenance professionals competing to see who was fastest at performing eight commonly encountered maintenance tasks. Challenges included water heater installation, faucet repair, icemaker installation, and ceiling fan assembly. The finale of the event featured a racecar competition where competitors launched hand-built model cars—each using at least three maintenance products—down a pinewood derby-style track.

The national title came with \$7,000 in grand prizes courtesy of the presenting and national sponsors.

The total prize package for winners and spectators totaled nearly \$20,000.

This year's national championship will take place in June in San Francisco.

## ***HD Supply Supports Multifamily Professionals Through Maintenance Mania***

We're proud to be a Presenting Sponsor of the National Apartment Association's (NAA) Maintenance Mania. Along with the national sponsors featured in this brochure, we're bringing the apartment industry together to recognize the fastest maintenance technicians in the country.

Contact your local NAA affiliate or visit [naahq.org/maintenancemania](http://naahq.org/maintenancemania) to get involved today!

## Battery Smoke Alarms

### Battery Ionization Smoke Alarm

- Test Button
