

Letter from the President:

As we usher in the fall season, I would like to remind you of the many educational courses, networking, and social events offered by the Apartment Association of New Mexico (“AANM”). These include:

Professional development opportunities - including many national designations. Enroll in courses that will give you the designation needed to further your career and provide better service to your clients. Designation programs offered are CAM, CAMT, NALP, CAPS, CAS, IROP, SHCM.

Luncheon meetings – network within the industry and learn about topics of interest impacting you and the industry.

Happy Hour Networking – join your friends and peers in a casual setting to discuss the latest happenings.

Manager Roundtables – share best practices, meet other managers and learn from your peers at different member communities around the state.

Upcoming Social Events:

Main Event at Main Event – Friday, October 27th; 12:30 pm – 4:30 pm

For one low price, you will get bowling, laser tag, ropes course, a pizza lunch and two drink tickets.

Charity Gala “A Parisian Evening” – Friday, November 17th, 2017; 6 pm – 11 pm,

I encourage you to attend the Annual Charity Gala as it is always a lot of fun and a great way to give back to our community. Tickets are only \$55 per person (through October 20th). Buy a table, donate a silent auction item, work on the committee, just get involved in this fun-filled evening. Our 2017 Charity Gala will benefit Veterans Integration Center. Over 300 guests attended last year’s Charity Gala (Carnival) and we proudly raised over \$17,000 for charity. We anticipate the Charity Gala will be a sell out so get your tickets early.

Visit the AANM website (www.aanm.org) to learn more about the programs offered by AANM. Registration and tickets are also through the AANM website.

I am proud to be a part of the AANM community. More importantly, I want you to utilize and enjoy the many benefits that are included with your membership. Enjoy this Fall season and I hope to see you all at one of our events.

Bobby Griffith
