Dear Industry Stakeholder,

In a few days, you will be receiving an invitation to take part in a short, but very valuable, online survey pertaining to ADCI's communications efforts.

As a valued industry stakeholder, your participation is vital to the outcome of this study. As you know, our communications offerings include *UnderWater* magazine, *UnderWater Today* e-newsletter, *ADCI Advisory Notice*, *ADCI TV*, our websites, *ADCI Membership Directory*, *Online Buyers' Guide* conferences, social media offerings and more.

With your help, the association will gain a better understanding of how we are communicating with our members and stakeholders in today's constantly-changing environment. Your participation in this survey will also help us identify a definitive set of best practices that will help us communicate with you even more efficiently than we have done so already.

Again, the survey will take approximately 10 to 15 minutes to complete and you will have the opportunity to be entered into a drawing for a free \$100 gift card.

I look forward to continuing to provide more value, more services, and more benefits to you throughout the coming ADCI membership year!

Sincerely,

A handwritten signature in black ink, appearing to read "Phil Newsom", with a long horizontal line extending to the right.
