

2018 LARE REVIEW SEMINAR

FRIDAY + SATURDAY
MARCH 9-10

LOCATION

ATKINS
482 S. KELLER ROAD | ORLANDO, FLORIDA

FOR LARE CANDIDATES A MUST FOR FIRST TIME APPLICANTS

Please join FLASLA for our **2018 spring LARE Review Seminar!** The LARE Review Seminar will cover all aspects of the current LARE exam including:

- Basic overview of the current format
- Tips on how to tackle single response, multiple response, drag & place, and hot spot questions
- Critical study topics for Sections 1-4
- Best study resources
- Exam day tips

Attendees of the LARE Review Seminar will gain valuable information from a broad mix of instructors with many years of professional & academic experience, as well as firsthand advice from recent test-takers.

We hope to see you in Orlando! Happy Studying!

The LARE Review Seminar is a HOW TO take the licensing exam. All candidates are expected to have prepared prior to this seminar. Utilize a local study groups which your Section Chair may be able to help and study material as published CLARB (procured by calling (703) 818-1300 or ordering via the Internet www.clarb.org). A report executed by a national committee of ASLA (www.asla.org) about the LARE is available on the ASLA web site along with further study material at www.asla.org. Applicants in recent years have found the study guides produced by PPI to be beneficial - see www.ppi2pass.com.

TO BRING:

Attendees should bring pencils and calculators to the practice session and any note taking they wish other than recording devices. All attendees will receive a link to the program material afterwards.
