

VIRGINIA

Student Career Day 2010

Support the 2010 Student Career Day!

We are asking for your support for this year's ASID Student Career Day.

Career Day is an event where students from the area come to network with professionals. The day will consist of guest speakers, a job fair, round table discussions, and resume and portfolio reviews.

Help make this a memorable event for the students; they are the future of the design profession.

Please consider donating to Career Day. We will accept monetary donations and/or promotional items for goodie bags. We will also accept contributions towards our raffle items.

Remember that donations are for the benefit of the students.
