Here is a list of SRB duties:

- Attend the four chapter board meetings held in Nov., Feb., May, and August.
- Write a report for each board meeting of the campus activities from all of the state student chapters by contacting the current chapter presidents to review what is happening on their campuses. You are the link for the students.
- Act professionally and responsibly as an active board member as your work affects the future of design students and the chapter makes decisions based upon your input.

Here is a list of SRB benefits:

- You receive an expense paid trip to CLC (Chapter Leadership Conference) in Cincinnati in July 2009.
- You are trained to be a leader in the design field.
- You understand the inner workings of the society and how to best reap the benefits.
- You meet and interact with the leading professionals in Virginia. Networking is the best source for obtaining a job in the field.

Please send your applications (electronic submissions are preferred) by **March 26**, 2009 to:
