

CSI Atlanta Chapter

Construction Specifications Institute- Certified Document Technologist

Annual CDT Study Course

Make 2013 the year you earn your *CDT Certification* from CSI. With the CDT credential listed after your name on your business cards, it shows the entire Construction Industry, I am a professional and I understand Construction Documents!

AIA Credit Opportunity- Earn 20 AIA/CES HSW LU Credits (2 per session). Taking the CDT Exam and/or purchasing study materials is not required to earn the AIA Credits, but encouraged. CSI National Exam month is April 1st through April 27th, 2013. Passing the CDT exam is all that's required to earn the Certified CDT Credential.

When: 10 Consecutive **Tuesday Evenings** starting **January 22nd, 2013**
through March 26th, 2013 **7:00pm – 9:00pm**

Where: Cooper Carry Offices
191 Peachtree Street, Suite 2400, Atlanta
Park anywhere or take MARTA to the Peachtree Center Station

Cost: \$100 for all 10 Sessions by pre-registration
Or, \$10/session- No pre-registration required, but space will be limited
Payable at the start of each class with a check payable to: CSI Atlanta Chapter

Note: **For AIA Credits- Simply attend, pay and sign in.** You are not required to purchase study materials or take the CDT exam to attend sessions.
A great learning opportunity, but space will be limited!

To Register: Go to www.csiatlanta.org under Certification & follow the tabs

CDT already? Become an Instructor! Review the material and present it with flair.
