**Braun Hires New Project Manager to Their Customer Support Team**

**September, 2017 SYRACUSE, NY:** G.A. Braun, Inc. announced a new addition to the Inside Sales & Project Management Team.

Anthony Armelino has joined TEAM Braun in the position of Project Manager. Anthony is a graduate of the State University of New York at Oswego with a Bachelor's degree in Business Administration and received his Master of Science in Engineering from Missouri University of Science & Technology. Anthony served for 14 years with the United States Army as an Officer in the Corps of Engineers in a variety of leadership and staff positions. Most recently, he was a Program Manager for Syracuse University. In this capacity, Anthony was responsible for compiling and executing training programs; departmental budgeting and partnership recruiting in support of national business development.

In his new role, Anthony will be responsible for working with Braun's commercial sales team to qualify equipment for positioning with clients; working with customers and third party partners to coordinate equipment installation requirements and managing the execution of projects.

"We are extremely excited to have Anthony join TEAM Braun as our business continues to grow. I am confident that he will further strengthen our capabilities, and our ability to develop solutions for the dynamic customer base that we support domestically and internationally" stated Cliff Quick, Braun's Director of Inside Sales and Project Management.
