## FOR IMMEDIATE RELEASE

Gurtler Industries, Inc. would like to announce that Matt Wenzel was promoted to a new role of Executive Vice President. Matt has over thirty years of industry experience in various roles which include production, service, sales, general management, and executive management. Matt has been with Gurtler Industries since December of 2015.

In the announcement to our company Greg Gurtler the President of Gurtler Industries stated, “Matt has been a great addition to our company and with his new role he will help lead Gurtler to continue our growth in our industry. He is committed to the Gurtler Advantage which is our commitment to Service, Innovation, and to People our Employees and Customers.”

Gurtler Industries, Inc. is a leading manufacturer of advanced detergents and specialty chemicals for the commercial laundry industry. A privately held, family owned and operated business, Gurtler has grown into one of the largest specialists in the laundry chemical supply industry, offering a full line processing chemicals, injection systems and personalized service across North America.
