2019 Call for Applications and Nominations: Celebrating Leadership, Excellence, and Advancement in Art Therapy

AATA National Office

The American Art Therapy Association champions individual members who are making an impact in our profession and community. Every year we recognize members who are elevating the field, and we support the next generation of art therapists who will transform the profession. This is your opportunity to honor colleagues and recognize the unsung heroes and visionaries of the field or take the next step in your career by applying for a scholarship or joining the Association's leadership. **Read below and find more information on [MyAATA](#) for opportunities in the following categories: Honors, Nominations, Research, and Scholarships.** Please

Why The Arts Are The Great Unappreciated Engine Of The US Economy

Forbes

Today and yesterday two documents were released by the federal government that should make us ask if we have our priorities straight. This morning, the Arts and Cultural Production Satellite Account (ACPSA) compiled by the U.S. Department of Commerce's Bureau of Economic Analysis (BEA) showed that economic activity from arts and culture increased 2.9% in 2016, the most recent year of this report. That represents 4.3% of gross domestic product or more than \$800 billion of economic activity. **READ MORE**

The Healing Power of Art Therapy

Blugold Media

Art therapy has been a growing branch of counseling services in Eau Claire. Art therapists are able to work for hospitals, private practices and schools. Art therapists are clinicians who work with people of all ages across a broad spectrum of practices. Developed in the 1940s, the practice works to provide people with an alternative form of healing. **READ MORE**

Easing Anxiety Through Creativity

Verily

Whether I'm creating it or admiring it, art immerses me in my imagination or the imagination of someone else. It started in childhood, when I would write countless whimsical stories, draw picture books, enter art contests, and sew doll clothes. I love everything about art and creation: the mental and physical process, the challenge of production, the beauty of the result, the satisfaction of bringing something new into the world that I made with my own hands. **READ MORE**
