

***What will you be doing May 18<sup>th</sup> through the 21<sup>st</sup> this year?***

Going, of course, to the 62<sup>nd</sup> Annual ASBO MD&DC Spring Conference at the Ocean City Convention Center!

This conference will be loaded with education sessions, networking opportunities, a computer lab, and exhibits where you will learn about new products and services offered by our business partners.

Our Monday Keynote Speaker this year will be Dr. Lillian Lowery, State Superintendent of Schools.

The Professional Development Committee has been hard at work to provide you with top notch professional development and here's a list of the education sessions already planned.

- Workers Compensation Fundamentals and Claims Management
- What a Later Start to the School Day Means for You
- Best Practices in Managing Surplus Assets
- The GPS Tool: Dude, Now What?
- Creating a Legacy of Young Millionaires
- A User's Guide to The Consumer Price Index
- Blended Operations – Combining Education and Reducing IT Costs
- Successful Women at the Forefront of “Building” our Children's' Future
- Using Integrated Project Delivery to Deliver the Largest, Most Complex Projects
- Techniques Supervisors Should Know to Reduce Accidents
- Health Care Reform – What You Need to Do from Now Through 2015
- Principles of Leadership- Are You a Leader?
- The Legislative Update
- The Maryland Center for School Safety and How It Relates to You
- Cutting Costs through Print Management and Technology
- Leveraging Volunteer Time and Private Contributions into Capital Improvements
