ASBO WORKSHOP

SUSTAINABILITY: Total Solution Best Practice

When September 17, 2013 9:00 am – 12:00 pm

Where Caroline County Public Schools Board Room 204 Franklin Street, Denton, MD 21629

Hear how one school system involved multiple departments including curriculum, technology, facilities, purchasing and transportation, to develop a comprehensive Sustainability program. Learn the advantages of applying the Triple Bottom Line concept in your own school system to foster and grow a sustainability program.

Andrew Cassilly, Resource Conservation Manager, Harford County Public Schools.

Energy Managers, Facilities Managers, Purchasing Staff, Administrative Leaders and Planning and Construction Staff.

Registration Form on Page 2
