

Memo

Date: December 21, 2012

To: CSAO Members

From: Lorna Coutoulas, Past president, CSAO

RE: Constitutional Amendments 2013

Our present Constitution allows members to vote on constitutional changes or election of new executive members, in opposite years.

This year 2012-13 members will vote on proposed constitutional changes. As always, this vote will occur at our Annual General Membership meeting which will be held on September 10th, 2013, as part of our Annual Conference.

When requesting a change to the constitution, please make sure that you state the Page number, Article and Section numbers of the current constitution.

Changes must be sent to the office no later than February 28th 2013.

The President and I ask that each and every one of you read the proposed constitutional changes carefully and ask as many questions as you would like; it is best to understand not only the language of these proposals but also the intent behind them. Keep in mind that, for the most part you will be voting on matters that you were not part of their formulation or submission.
