Thank you for being a member of CISCA. The CISCA Board of Directors met on Monday, June 5, and discussed membership dues. CISCA has not made changes to dues since our fee reduction and minor adjustments in 2014 due to the recession. An update is necessary and it was the decision of the board that the dues be increased for all membership categories effective July 1, 2017.

The dues will be:

Contractor-- \$695
Manufacturer-- \$995
Distributor-- \$855
Independent Rep-- \$395
Service Associates -- \$495
Architects/Educators-- \$300
Dual- All other-- \$195

Branch dues are:

1-4 with a full membership -- \$0
5-10 -- \$130 per location
11-49 -- \$100 per location
50 and more -- \$50 per location

As membership dues renewal notices will be going out shortly, we wanted to give you ADVANCED NOTICE of this increase. If you currently have locations that are not members and you are the only location listed, consider taking advantage of the 5 for the price of 1 option and include 4 locations, 5 including the main location, without increasing your dues.

Please feel free to contact the executive director, Shirley.wodynski@cisca.org, CISCA's president, Jeff Hudepohl, jhudepohl@visohio.com, or CISCA's incoming President, Paul Gallagher, pgallagher@cjoakley.com if you have any questions.

Sincerely,

Jeff Hudepohl
