

HAVE YOU BEEN THE VICTIM OF AN EXTREME INFESTATION?

Infested! is a television series for Animal Planet which tells the real life horror stories of ordinary people plagued by extraordinary infestations. From snakes and spiders to roaches, rats and raccoons, the series features all manner of creatures and critters in astonishing stories of infestation.

We would like to hear from anyone whose life has been seriously affected by an infestation. Perhaps the problem has been so bad you've been forced to move home, or employ drastic measures to bring the problem to an end?

If your home has been invaded by a creepy critter and you would like to share your story, please get in contact at:
