TexasMutual[®]
WORKERS' COMPENSATION INSURANCE
WORK SAFE, TEXASSM

A constructive approach to lower premiums.

If your company is a general contractor, specialty/trade contractor, architect or engineer, you should know our crew. We're building better, more cost-effective workers' compensation with the CompGroup AGC safety group for members of the Texas chapters of the AGC– Texas Building Branch. Visit compgroupagc.org for a program overview and eligible class codes.

A solid foundation

- ▶ CompGroup AGC provides workers' compensation coverage to qualifying members of the Associated General Contractors (AGC) – Texas Building Branch.
- ▶ Texas Mutual Insurance Company is a leading writer of workers' comp safety groups.

Strong framework

CompGroup AGC safety group members:

- ▶ Get a group premium discount
- ▶ Retain their own experience modifier
- ▶ Earn additional discounts by enrolling in Texas Mutual's workers' comp health care network
- ▶ Qualify for potential double dividends*
- ▶ Have access to claim and loss prevention services, free streaming videos and other materials in the safety resource center at texasmutual.com

On the level

Workers' comp insurance is the only coverage that provides medical and income benefits for injured workers and legal protection for employers.
