You must register through FAA. Even if you have told your local association that you will participate and are planning to ride their bus, you will not receive your registration materials if you have not officially registered with FAA. Deadline for conference registration is Wednesday, March 20, 2013.

The scheduling of legislative appointments is the responsibility of the local association executive. AEs should contact their legislators ASAP over the coming weeks. Legislators will be in Tallahassee participating in committee weeks which is an ideal time to get on their calendars. **Once your appointments are confirmed, please send your completed schedule to Laura Heiselman, FAA's Government Affairs Director, by March 27.** Schedules not received by that time will not be included in the overall state schedule.

This year, we will be introducing a custom-designed commemorative print celebrating FAA's Legislative Days. These limited edition, signed and numbered prints will be presented to our current APAC donors at the \$100+ level. In addition, they will be available for sale as long as supplies last.

Hotel reservation deadline is Wednesday, March 6, 2013. Hotel Duval, 415 North Monroe Street, Tallahassee, FL 32301. Room rate \$169 + \$10 Parking (if applicable). Call 888-717-8854 and mention "Florida Apartment Association Annual Legislative Days."
