Four Schools in One Week

AFA University offers a chance to demonstrate a higher level of understanding and professionalism within the fence and access control industry. AFA University's comprehensive schools and additional certification programs allow anyone to increase their knowledge of sales, design, installation and more. Improve your skills and advance your career at AFA University.

Partners in Education

AFA University is in partnership with IDA, IDEA and NOMMA to enhance and elevate the level of education and certification for our members. IDA and NOMMA members receive AFA member discount rates.
