

20th Anniversary Press Release

03/21/2017 Amherst, NY – Fetch Logistics, Inc. is proud to announce its twentieth year as a leader in the third party logistics industry. As a locally owned and operated company, we are proud of our roots and the growth we have experience.

Fetch Logistics began operations in 1997 when Robert Closs II and William Wilcox set up shop in a basement and hit the phones. Shortly after, the company was moved to formal office space and they began hiring additional employees. Within 5 years of opening, Fetch Logistics earned a place on the *Inc.* magazine list of 500 fastest growing privately held companies in America and maintained this honor for four consecutive years.

"We are very proud of what we have accomplished these past 20 years because of the dedication and hard work of the 80+ members of our Fetch Family and we look forward to the bright future that lies ahead for all of us," stated Vice President of Corporate Development Gary Zoldos. "This is a true testament to Fetch Ownership's commitment to their industry, their customers, their carriers, their technology, their commitment to continued job growth in Western New York and most importantly their commitment to recruiting, hiring and retaining the industry's best and brightest people without whom this could not have been possible."

Throughout the years, Fetch Logistics has received many other awards including being named a Top Green Provider by Food Logistics magazine for three consecutive years, being ranked in the top tier of Carbon Efficiency in its SmartWay Partner Category for both its Refrigerated and Rail/Intermodal divisions, being named a Best Broker by NASTC and being awarded the CargoNet 2013 'Best in Cargo Security' award. Fetch Logistics is also a proud member of the Transportation Intermediaries Association "TIA", CargoNet and the Environmental Protection Agency's SmartWay Program.

Fetch Logistics, Inc. provides full truckload, LTL and rail services throughout the US and Canada. Fetch is proud to be Bringing America's products to America's shelves ..."The SmartWay". Visit us online at www.fetchlogistics.com.
