the Gold Workplace Safety
Award by Great West
Casualty Company.**

Pictured are (From L to R) – Dan McNamee, – Sr. VP of Operations; Mark Gressett, – Safety Director; and John J. Harned, Jr., – President, CEO and Owner

Indian River Transport is a premier liquid bulk food grade tank carrier, operating a fleet of 700 tractors and 1,000 trailers throughout the United States and offering import/export services between the US, Canada and Mexico. Headquartered in Winter Haven, Florida, they are nationally recognized as a leader in the industry for not only providing total quality service, but in the safe operation of their fleet. The Platinum Safety Award and Gold Workplace Award recognize their dedication to the continuous improvement of work processes and safety measures through experience, technology and training.

The National Safety Awards program recognizes motor carriers in similar operations (truckload and less than truckload) with awards based on their year-end preventable crash results. Respectively, the Workplace Safety Awards program recognizes their dedication to creating and fostering a safe work environment for their employees and are based on a motor carrier's year-end workplace incident rate. Carriers are eligible to receive a Platinum, Gold, Silver or Participatory award.

Great West Casualty Company is the nation's leading provider of property and casualty insurance for the trucking industry. With over 60 years of experience, Great West offers risk management, underwriting, claims and loss control services exclusively to the trucking industry. Great West is headquartered in South Sioux City, Nebraska and has regional offices in Meridian, Idaho; Bloomington, Indiana; Knoxville, Tennessee and Arlington, Texas.
