Georgia GMIS Fall Conference
Sept. 28 to Oct. 1, 2015
Savannah Marriott Riverfront
Savannah, Georgia

The Georgia chapter of GMIS International (Georgia GMIS) is proud to announce we will be hosting our 2015 Fall Conference at the Savannah Marriott Riverfront from September 28 to October 1. Our Core Competency in the University of Georgia - Carl Vinson Institute of Government's IT Leadership Program will be Government Business Processes, with training and discussions from recognized leaders in Government Information Technology project process methodologies. The theme of the conference will be Graduation, a time where people celebrate the finale of hard work and training – like successful projects!

Our Georgia GMIS Fall 2015 Premier Technical Training Partner, EMC, will be partnering with Sovereign Systems for VMWare technical training. EMC and Georgia GMIS are working on the details and more information will be available later in July. Georgia GMIS is excited to be partnering with EMC in the great training opportunity for Georgia's public IT leaders and professionals.

Georgia GMIS welcomes other GMIS International members to join us in Savannah. For more information, please visit our website at www.gagmis.org and we hope to see you in Savannah!
