

APEX 11 AWARDS

BUILDING ON 90 YEARS

JUDGING DAY INFORMATION

On behalf of AGC Houston, thank you for agreeing to be a judge for the APEX 11 Awards. As a leader in Houston's construction industry, your time, interest in our event and professional analysis of the projects entered are greatly appreciated!

The on-site judging of APEX 11 entries will take place on Friday, June 27th.

The NON-site judging of APEX 10 entries will take place the week of June 30th.

On June 27th, judges will first meet for breakfast at 7:30 AM at the AGC Houston office. During this time, judges will be introduced to drivers, eat breakfast and receive an orientation of the judging process and an overview of the day.

Following breakfast, drivers will transport judging teams to the projects in the assigned categories. Most projects are located throughout the Houston area and judging will conclude by mid afternoon. However, some projects are located in the surrounding counties and may require additional travel time. **If you must return by a specific time, please note your special request on this form.**

All judges must submit the form below by June 13, 2014.

All judges will receive two complimentary registrations to the Awards Celebration on September 13, 2014 at The Westin Hotel, Memorial City.

Please return this completed form to Meaghan Pier at meaghan.p@agchouston.org by June 13, 2014.
