Comment from a Nora's Home patient who was recovering from liver transplant surgery:

“ Thank you for providing the "Lazy River" feel. It was such a treat after the hectic emergency living we went through. Being so close to the hospitals was very important to us. We are so blessed as a family to have been able to utilize Nora's Home's services. Thank you Drs. Gaber and thank you Nora! ”

The **Nora's Home Golf Classic** supports the mission of Nora's Home. By your participation, you will help provide transplant patients and their families comfort and peace of mind when they need it most.

Nora's Home provides affordable lodging for pre-transplant and post-transplant patients and their families who travel to any of the Texas Medical Center transplant centers. The first of its kind in Houston, it provides care, education and support for transplant patients and their families in a loving, home-like environment. The healing effects of this kind of care and support are incredible.

I hope you will join me in supporting this wonderful facility with your participation and your contribution. Together, we will make a difference.

Thank you,

George A. Pontikes, Jr.
