WHY HOST A TEACHER

The HISD Career and Technical Education department is seeking business partners for this summer's Teacher Externship Week. The Teacher Externship program serves as a professional development vehicle for teachers of math, science, English, social studies and CTE to learn about the industry related to their campus programs. By engaging with and in industry based practices, teachers are better able to craft curriculum that is meaningful and relevant to their own subject matter.

WHO CAN HOST

We are looking for companies to host approximately five HISD teachers June 25 – 28, 2018 in the following key industries: Petroleum Engineering, Manufacturing, Environmental Science, Health Science, Information Technology, Building and Construction, Aviation, Digital Media and Design, Hotel and Restaurant Management, Cyber Security, Retail and Public Safety.

Q: What is the cost to the Host Business Partner?

A: There is no cost to our Hosting Business Partners. HISD pays the teacher Extra Duty Pay time spent at company.

Q: What hours will the Teachers be onsite?

A: Teacher Externship hours will coordinate with the Hosting Business Partner's work day. The expectation is 1/2 day Monday pm, 8 hour days, Tuesday & Wednesday, and 1/2 day Thursday am on site. We ask to allow for a brief Teacher Team meeting each day for debrief and collaborative project based learning development.

“This experience has been highly informative and absolutely valuable”

“This experience creates the needed connection between educators and business professionals as we aim to fulfill the goals of linking careers to the core curriculum.”
