

### **Safety Saves Conference & Tradeshow**

### **Opportunities for Synergy, Collaboration and Innovation**

#### **Brought to you by:**

Incident Prevention Association of Manitoba and the Canadian Society of Safety Engineering (Manitoba Chapter)

IPAM & CSSE MB are now accepting proposals to present a session at the 2015 Safety Saves Conference in Winnipeg Manitoba which is held on October 26 & 27, 2015. We are looking for speakers, willing to share their occupational health, safety and environmental knowledge and experience with our safety managers and program leaders. Proposals may range from 1 – 3 hour sessions, with the majority of session being one hour long.

The 2015 conference will be covering many aspects of safety in the work place. You can use the following topics below as a guide for submitting your presentation, but we are of course open to additional topics.

Risk Assessment	Business of Safety	Selling Safety
Disability Management	Engaging employees	Health Care Industry
Home care workers	Disaster Planning	Disaster management
Environmental safety	Industry specific	Safety Tools & Programs

When and Where: October 26 & 27, 2015 - Canad Inns Polo Park

#### **Speaker's Benefits:**

- We provide a continental breakfast and a hot delicious lunch, both days.
- Speakers benefit from full access to presentations and activities for the duration of the conference.
- Wonderful opportunity to showcase your expertise and network with membership from TWO associations at once!

The selection committee will study every proposal. The decision will be made according to the originality of the proposal and to the interest from the targeted audience. The closing date for this call is January 12, 2015. Candidates will receive the decision via e-mail.
