

A Student Guide to Study Abroad

Every student who wants to succeed in the global economy should study abroad. This book, published by IIE and AIFS, will help you make the case to your students, and will help guide them through the process with more than 100 practical, easy-to-follow tips.

A Student Guide to Study Abroad provides comprehensive information that a study abroad adviser can trust. Each chapter contains lively and engaging "how to" information, including extensive stories and quotes from students and advisers.

Three leading experts in study abroad join forces to offer the most comprehensive advice possible:

- **Before you go:** Choosing a Program; Figuring Out the Financials; Preparing to Study Abroad
- **While abroad:** Immersing Yourself in the Culture and Personal Growth; Staying Safe and Healthy; Making the Most of Your Time Abroad
- **When you return:** Transitioning Back to Life in the States; Using Study Abroad to Showcase Your Global Growth and Learning
