

Join me as we change our world, forever.

I am leading a delegation of education professionals to Tanzania in July 2015. I'm very excited about the opportunities to examine our profession in Tanzania while we share and learn from our counterparts.

People to People Citizen Ambassador Programs has been coordinating face-to-face exchanges for nearly 50 years, and they have arranged for us to enjoy facility visits, informal social events, and roundtable discussions with our fellow educators.

Please consider joining me as we encounter remarkable people and places on a one-of-a-kind journey that fosters global collaboration!

Visit www.PeopletoPeople.com/KenCushner to:

- Examine the proposed mission and discussion topics for our delegation
- See a full, day-by-day itinerary
- Review the program inclusions associated with tuition costs
- Read about the experiences of past Citizen Ambassador delegations

Guest program

People to People Citizen Ambassador Programs also offers a special schedule of cultural activities for your spouse or guest.

Education, Culture, and Environment Delegation to Tanzania

July 20-27, 2015

\$6,399 program tuition

The itinerary includes Arusha and surrounding areas, as well as a game drive to see native wildlife.

Our delegation will explore and discuss:

- Current environmental concerns and unique issues facing wildlife in Tanzania
- How environmentalists work with educators to raise awareness of the environment in the standard K-12 curriculum
- The Tanzanian educational system and the unique aspects of city vs. rural communities and schools

I welcome your participation on this journey.

Ken Cushner, Ed.D.
Delegation Leader
