

'Live Your Dream' was the theme for a retreat session that Tricia Clement, CMP attended in the fall of 2014. After years of dreaming, Tricia finally made her dream a reality by embarking on the journey of establishing Polaris Meetings and Events.

Over the past 10+ years, Tricia has been attaining extensive experience in hotel catering and sales, corporate event planning, hotel site selection, contract negotiation, and international travel.

With that experience, she has created quite the portfolio in regards to capabilities. Budget creation, venue selection, theme development, and vendor management (décor, audio visual, production, entertainment, catering, transportation, security, staffing) are some areas of focus. From event registration through post program wrap-up, she has got you covered.

To date, clients of Polaris Meetings & Events have represented retail, financial, pharmaceutical, manufacturing, and non-profit organizations. Tricia is serving on the board of KCMPI for her 7th year, currently in the role of Immediate Past President. She also volunteers on the planning committee for Bowties for Babies, the annual dinner gala benefiting Alexandra's House which is near and dear to her heart.
