ON-SITE OPTOMETRY

## No more hassle. The doctor is coming to you.

Your team cares about your health and wellbeing. They are making it easier than ever for you to get the basic services you need right at the office. Annual eye exams can be a pain to schedule and easy to neglect. Luckily, our next brojsvisit to your office means fast, high-quality care with no headache!

### 1. BOOK ONLINE

Your HR team will schedule a date and we'll send you and your colleagues a link to book your appointment. This way you can plan your meetings and your day, but still get a great eye exam.

### 2. COME DOWN

We'll be waiting in the parking lot! Our facility is a state-of-the-art mobile vision unit. We've got best-in-class equipment, google glasses, and other fun stuff!

### 3. SEE EYE DOC

You'll receive a complete comprehensive eye exam from a highly-qualified Optometrist that includes prescription and contact renewals. It's a full-service experience!

### 4. GO BACK TO WORK

We have one-click ordering and trial frames on-board. We ship your glasses directly to you at the office so you can get back to work with your lunch break intact.

## A FULL COMPREHENSIVE EYE EXAM

We take pride in making sure your experience with us is nothing but the best. You will under go a full eye exam which includes a vision check as well as screening for preventable eye diseases.

Exams are a preventative health measure and can detect eye disease as well as systemic problems like Diabetes, high blood pressure, high cholesterol, and even cancer.

We accept all major vision and health plans, so don't worry there's no extra cost.

## IN AND OUT IN 15 MINUTES

We cut out booking and transportation time by coming to you! Using state of the art equipment and a streamlined process, you can get a top notch eye exam and without needing to wait.

## GREAT QUALITY & NO DILATION

We use an HD retinal camera to look at the inside of your eye. This means, no dilation, no blurry vision or light sensitivity, you can get right back to work!

## FULL SERVICE WITH NO PICKUP

Our Optometrists can create a new prescription or renew an old. You can use your new Rx to order contacts or glasses from the Project 2020 truck with shipping to the office.
