2018 CALL FOR ENTRIES

Participate! You deserve to be recognized!

Concrete is one of the most used and innovative construction materials that can be utilized on Ontario construction projects. This fact is highlighted by the quality of the submissions that have been received over the past years for the **Ontario Concrete Awards** program.

This annual competition focuses on the achievements of **Owners, Designers, Contractors** and **Suppliers** that have made concrete their construction material of choice. Award categories include the following:

- Architectural Merit
- Architectural Flooring or Hardscape
- Infrastructure
- Institutional Building
- Material Development and Innovation
- Mid to High Rise Residential
- Specialty Concrete Construction
- Structural Design Innovation
- Sustainable Concrete Construction

The Ontario Concrete Awards Banquet will be held at the World of Concrete Pavilion, Metro Toronto Convention Centre, on **Thursday, November 29, 2018**, and is attended by over 200 of the most influential Owners, Designers and Contractors in Ontario.

**DEADLINE for project submissions is
4:00 pm on Thursday, September 20, 2018**

For further information or general assistance in preparing your 2018 entry, please contact Janelle Emanuel jmanuel@concreteontario.org or 905-564-6878.

Please take the time to read the Project Write-ups for the
