

Manufacturing Engineer

Morris Industries is a worldwide manufacturer and distributor of air seeding, tillage and hay hauling equipment.

We are currently having an exciting opportunity for Manufacturing Engineer to join our manufacturing plant in Minnedosa, MB.

This role is responsible for all engineering aspects and other related duties regarding the day-to-day operations and the continuing planning for development of the plant facilities, plant equipment and fabrication processes.

A Degree in Mechanical or Industrial Engineering is preferred, however other relevant education may be considered.

Come join our team!

We Offer:

- Competitive Compensation
- Company-matched pension plan
- Health & Dental Benefits
- Life Insurance
- Short & Long Term Disability Insurance
- \$250 Health Spending Account
- Employee Family and Assistance Plan
- MyCare Health Benefit Option
- Paid Sick Time

Interested candidates are asked to submit a cover letter and resume.
