

FOR IMMEDIATE RELEASE

### **New General Manager at Rem**

Swift Current, SK, Canada-Rem Enterprises Inc. announced that Richelle Titemore has been appointed as the General Manager. A veteran executive in the company, Titemore previously served as the company's Controller and Materials Manager.

Bob Sonntag, President and owner of Rem Enterprises, stated, "Richelle's integrity, savvy business acumen, and strong leadership capabilities reflect the values of our company's corporate culture. Her appointment signifies our commitment to remain an industry innovator and to invest in the operational success of our company."

Titemore received a Bachelor of Management Degree from the University of Lethbridge, and has previous experience in retail management and as a post-secondary educator. She serves as a board member for two local non-profit organizations and lives on a farm with her husband and two children.

Rem Enterprises Inc. is an agricultural equipment manufacturer based out of Swift Current, Saskatchewan, Canada, with a branch plant in Shenandoah, Iowa. Rem builds their proprietary GrainVac and Delta Flexible Harrow lines, in addition to an ever - expanding custom wire, blowers, and steel fabrication business. Founded in 1966, Rem Enterprises Inc. has grown into an international organization with products sold worldwide. More information can be found at the company's website at [www.rementerprisesinc.com](http://www.rementerprisesinc.com).
