For Immediate Release

POLYURETHANE MACHINERY CORPORATION (PMC)

A “Don’t Miss” Equipment Package Deal from PMC

LAKEWOOD, NJ – May 1, 2015 – [Polyurethane Machinery Corporation \(PMC\)](#) is offering a great promotional deal for spray foam and coatings contractors. This exciting promotional program is for all orders placed between May 1, 2015 and June 30, 2015 for immediate shipment on their best selling Classic PH-40 and PHX-40 1:1 Hydraulic Proportioners.

Each Proportioner Package will include 50’ of appropriately Heated TC Hose, 50’ Scuff Jacket, 10’ Heated High Pressure Whip and the AP-2 Air Purge Gun with your choice of chamber size. The program includes all 220V and 380V units.

Here’s the best part! The PH-40 Package is offered at \$25,400 Suggested List Price and the PHX-40 Package is offered at \$25,930 Suggested List Price. That’s respectively a **\$4,000** or **\$5,000 Savings** off the already low PMC list price for these packages. That’s **\$9,000 less** than comparable competitive equipment!

[The PH-40 and PHX-40 Classic Series](#) is ideal for use in high output roofing, insulation and coatings installations and offers the professional even more value, high output and basic contractor rugged design. All new PMC Hydraulic Proportioners now include as standard features the Pressure Balance Control (PBC) as an integral part of the console, the Count-Down Counter and Inlet Monitoring for both the “A” and “R” chemicals.

You will also receive what so many hail as the [“Best Spray Gun in the Industry”](#). The [AP-2 Spray Gun](#) allows you to get the job done faster, more economically and with greater ease. It incorporates a patent pending separate Mixing Chamber and Pattern Control Tip (PCT) giving the option to create a variety of spray patterns as well as the ability to create different backpressures to custom mix foam and coatings.

Don’t miss this **Limited Time Offer!** Call your local [PMC Authorized Distributor](#) today to take advantage of these tremendous savings!
