

**Texas SHRM and
WGU Texas Scholarship
Opportunity**

WGU TEXAS & TEXAS SHRM

Advance Your Career

WGU Texas has partnered with the Texas SHRM to launch the **Go Further in Human Resources Scholarship**. This scholarship is for human resource professionals who want to further their career by earning a bachelor's or master's degree. Up to 15 scholarships will be awarded to Members of Texas SHRM chapters.

**Each GoFurther In
Human Resources Scholarship
is valued at up to**

\$2,000

Eligibility Requirements

To be eligible for this scholarship, you must:

- Be working in Human Resources or a related field.
- Be an active member of a Texas SHRM affiliate chapter.
- Complete application for admission and a scholarship application.

**Deadline for application submission is
Friday, January 15, 2016**

- Write a 500-750 word essay on "How My Education at WGU Texas Will Make Me a More Effective Human Resources Practitioner and/or Business Person."

What You Can Expect at WGU Texas:

Degrees in Less Time, for Less Money

WGU Texas is half the cost of other online universities. Our affordable, flat-rate tuition means that if you complete your degree program ahead of schedule, you save both time and money.

Tuition is charged at a flat rate every six months and covers all coursework attempted during that time. Federal financial aid and scholarships are available to qualified students.

Regionally Accredited Degree Programs

Through Western Governors University, WGU Texas is regionally accredited by the Northwest Commission on Colleges and Universities, one of the major accrediting commissions recognized by the U.S. Department of Education.

A Better Learning Experience

At WGU Texas, your success is measured by learning, not seat time or class attendance. You'll earn your degree by demonstrating your skills and knowledge in required subject areas through a series of carefully designed assessments.

The advantage to this approach is that you'll be rewarded for hard work and prior experience. You won't be required to spend a lot of time on subjects you've already mastered, allowing you to focus on the areas where you need to develop competency.

Personalized, One-to-One Faculty Support

WGU Texas students work personally with mentors who provide one-to-one coaching, guidance, and support from enrollment through graduation.
