The Texas Transportation Institute (TTI) and the Texas Asphalt Pavement Association (TXAPA) are hosting four separate one day seminars which will demonstrate the engineering, economic and environmental benefits of asphalt pavement. The seminars will cost \$75 per person. The seminars are intended for decision makers, roadway designers, and pavement designers such as Directors of Public Works, Roadway Supervisors, City Engineers, County Engineers, Consulting Engineers, etc. who are interested in learning how asphalt pavements can be sustainable while at the same time economical. Attendees will obtain six (6) professional development hours for attending the seminar.

Lunch will be provided as part of the registration fee so it is imperative that you let us know if you will be attending or if you need to cancel.

Please feel free to send this information on to anyone you feel would benefit from attending this seminar.

If you need any further information please contact Stephanie Buckberry at the association office (512) 312-2099.
