

Exploring the Life Safety Chapter

February 18—19, 2015

Embassy Suites River Walk Hotel San Antonio, TX

Join us to learn and ensure that your facility is meeting requirements for full compliance with the Life Safety Chapter and Life Safety Code of The Joint Commission.

This comprehensive seminar taught by leaders with direct experience in code content, application, and inspection, will deliver information on the Life Safety Code as it is applied to health care occupancies under the Joint Commission's Statement of Conditions. Updates will be provided on new Joint Commission EC Standards and experienced faculty will share practical examples and strategies on how to implement them. Presenting at this program will be:

Anne Guglielmo, CFPS, CHFM, CHSP, LEED A.P.
Engineer
Department of Engineering
The Joint Commission

David Dagenais, BS, FASHE, CHFM, CHSP
Director, Plant Operations and Security
Wentworth-Douglass Hospital, Dover, NH
Life Safety Code Surveyor, The Joint Commission

NEW!

This session will discuss the CMS Issued Categorical Waivers allowing the use of certain provisions of the 2012 edition of the Life Safety Code. Major changes found between the 2000 edition of the Life Safety Code and the 2012 Life Safety Code will be discussed.

Day One: 8:00 AM—4:00 PM

Day Two: 8:00 AM—3:00 PM

**Summary of Continuing
Education Hours Awarded:**

ACHE: 12.0

Program information and logistics will be available on the Joint Commission Resources web store this fall, at: www.jcrinc.com
