

## APPA Legislative Rally

February 27-March 1, 2017

It's almost time for our annual trip to D. C. to participate in the Public Power Legislative Rally. This year will be returning to the Mayflower Renaissance Washington which first opened its door over 90 years ago. The Mayflower Hotel, Autograph Collection has been a Washington, DC landmark since opening its doors over 90 years ago. Listed on the National Register of Historic Places, the hotel has been completely refreshed, offering a host of modern amenities, while still maintaining a sense of iconic luxury. It's a remarkable hotel and you'll be more than pleased with the accommodations. Unfortunately, the APPA room block at The Mayflower Hotel is currently full. APPA is keeping a waitlist for attendees should any rooms become available in the block. Please contact [Meetings@PublicPower.org](mailto:Meetings@PublicPower.org) to be added to the waitlist or if you need further assistance making hotel reservations.

Both the House and Congress will be in session this year, unlike the last two years. Unless you tell us different, we'll go ahead and make appointments with Tennessee Representative for, hopefully, Tuesday, February 28. TVPPA will handle making an appointment with our Senators.

On Tuesday morning, TMEPA Members will gather at 7:00 a.m. (Eastern) in one of the conference room for our annual discussion on legislation critical to Public Power here in Tennessee. A continental breakfast will be provided. We'll get the room location to you as soon as it's confirmed.

You may view additional information on the Rally at [APPA 2017 Legislative Rally](#) . You can also view the legislative priorities that APPA has identified as key to Public Power by clicking on this link [Know the Issues – Public Power's Legislative Priorities](#).

We've already sent out a first correspondence and others will follow as the Rally date gets closer. Hope to see you in D.C.
