

CHIEF BROADBAND OFFICER

BrightRidge is actively seeking an experienced Chief Broadband Officer with the ability and experience to lead the implementation of a long-range business plan to bring high-speed fiber and wireless broadband services to the communities across its service area. Located in the beautiful mountains of Johnson City, Tennessee, BrightRidge has been serving the energy needs of Washington County as well as parts of Carter, Greene and Sullivan Counties since 1945. Position will direct the start up and manage the daily operations and employees of the Broadband Business unit to include, voice, data and video while maintaining our strong culture of customer service and teamwork. There will be direct responsibility for system quality and performance as well as planning, development and implementation of system growth. Incumbent will be responsible for the business unit sales objectives, net revenue and gross margin. Must possess a Bachelor's degree in Telecommunications/Engineering/Construction and a minimum of 10 years of progressively responsible related experience preferably at the senior manager level with experience in telecommunications start up; extensive knowledge of FCC specifications, FTTx operating processes, ISP and Telephony operations and maintenance. BrightRidge offers an excellent benefits package and salary commensurate with qualifications. A complete job description is available under the careers tab at brightridge.com. Please submit resume by March 19 to ccrouch@brightridge.com, fax to 423-952-5044 or mail to BrightRidge/Broadband Officer PO Box 1636 Johnson City, TN 37605. EEO/M/F/TNDFWP. Only qualified applicants considered.
