

**ENGINEER** – Dickson Electric System is seeking qualified candidates for the position of Engineer. This position requires, as a minimum, a bachelor's degree in Engineering from an accredited university and 5 years' experience in power system engineering. A valid Tennessee driver's license is also required. Tennessee PE certification is strongly preferred, but not required. Applicants should be experienced in all aspects of utility engineering, including staking, system coordination, mapping, substation maintenance, SCADA, fiber optics, and AMI. Generous benefits package and salary commensurate with qualifications and experience. Those qualified may apply via the DES website: [www.dicksonelectric.com](http://www.dicksonelectric.com) or may email resume and application to: [Humanresources@dicksonelectric.com](mailto:Humanresources@dicksonelectric.com). Applications and resumes may also be mailed to Dickson Electric System, attention Human Resources, at P.O. Box 627, Dickson, TN 37056. The position will remain open until filled. Dickson Electric System is a Tennessee Drug-Free Workplace and an Equal Opportunity Employer
