

## **Free Utility Board Training – Sponsored by the Comptroller of the Treasury and Jackson Energy Authority**

Jackson Energy Authority is partnering with the State Comptroller's Office to provide Utility Board Member Training on March 1, 2018 at Jackson Energy Authority, Jackson, TN. Click the link below for details, agenda, and registration. Two free sessions are available for 4 hours each or a total of 8 hours. The sessions can be used to satisfy state-required training for water/wastewater board members.
