

DIRECTOR OF FINANCE

Loudon Utilities Board (LUB), located in Loudon, TN provides over 11,000 customers with electric, natural gas, water, and wastewater services. LUB is seeking a **Director of Finance**. This position which reports directly to the General Manager will provide leadership to LUB's Finance and Accounting Department to optimize our financial performance and strategic position. This individual will recommend and develop capital budget plans for asset management and system improvements while ensuring effective internal controls are in place for compliance with applicable federal, state and local regulatory laws and rules for financial and tax reporting.

Additional responsibilities include:

- Control of the company's accounting function
- Coordination of treasury function to manage depository and investment accounts
- Procurement of financing instruments to satisfy capital infrastructure
- Preparation of monthly financial statements.

The ideal candidate for this position will possess a degree in Accounting, Finance or related field and five (5) years managerial experience as well as exceptional communication skills. LUB desires an energetic and highly motivated individual with a passion for excellent performance.

Loudon Utilities provides a competitive salary and a comprehensive benefits package that includes healthcare plans, paid time off, paid holidays and retirement.

Qualified applicants may submit resumes (in WORD format) to:
