

## **I T Technician**

Loudon Utility Board (LUB) in Loudon, Tennessee is seeking an **I T Technician** to serve the various departments of LUB and the city of Loudon.

This position reports to the Director of Support Services. The individual awarded this position will provide the first point of contact for LUB/City staff seeking information technology assistance. This position will perform a full range of computing support services including user and technical support for: Windows operating systems; E-Mail; Backup systems; Active Directory; software product updates; vulnerability resolution; and support of other software products commonly used on LUB/City systems. Additional duties for this position include the maintenance of information technology hardware and resources, installation and minor repairs to hardware, software, or peripheral equipment, and administer of Window server systems and local area network infrastructure. The ideal candidate will possess a Bachelor's Degree in Information Technology or a related field and/or five (5) years of Information Technology experience.

LUB provides a competitive salary and a comprehensive benefits package that includes healthcare plans, paid time off, paid holidays and retirement.

This position is subject to a residency requirement.

Qualified individuals may send resumes (in WORD format) to:
