

## ***RVAA EVENT RECAP***

West Creek Manor hosted the RVAA annual Fair Housing Class. Renee Pulliam did a wonderful job teaching the ever challenging topic of Fair Housing. We appreciate Renee's use of real court cases and scenarios to help us understand the importance of following all applicable laws. Thank you, West Creek Manor for hosting and for Consolidated Construction sponsoring our delicious breakfast!

The hot topic of Marketing was discussed at our Lynchburg Morning perk. Attendees were able to brainstorm at round table style discussions. We were also updated on the Lynchburg area development. Thank you, Walden Pond for hosting and for CoStar for sponsoring breakfast.
