

Maintenance Member Q&A

1. Your name: Chris Young
2. Company name: Bonaventure
3. Number of years working with apartment industry: 18
4. What do you like best about your job?
I love the people- from everyone I work with to each resident I encounter. I love that I can come across upset resident and make an experience a positive one for them. I appreciate that everyday I am doing something that could make someone else's day a little bit better. I love the challenge of managing my budget with providing a luxurious living experience for my residents.
5. Describe a typical day at your job: Everyday my main concerns is to take care of residents. Weather it is holding a door, assisting with a work order, or just sharing a friendly hello, my agenda for the day always falls around that. I work with my manager and fellow co-workers to make sure everything goes as smooth as possible. There are always obstacles and hurdles but I love having them with confidence knowing that as a team there is nothing we can not over come
