

Supplier Member Q&A

1. Your name: Kaitlin Olah
2. Company name: First Atlantic Restoration
3. Number of years working with apartment industry: 5 years (in September 2016)
4. What does your company do? Disaster recovery and reconstruction company – First Atlantic Restoration specializes in high quality and comprehensive cleanup, mitigation and restoration services for residential, multifamily and commercial buildings.
5. Describe a typical day at your job: The best way to describe my job is that I manage anything our logo touches; whether that be our company website, social media handles, promotional items and collateral, training events, trade shows, etc. Every day is different, which is what I love the most about my job!
6. Where did you grow up? Kalamazoo, MI
7. Education: Dual Majored in Communications and Art & Design, receiving my Bachelors Degree from the University of Michigan. (Go blue!)
8. Family: Recently married (as of October 2015) – we have two adorable fur-babies, a 6 year old Maine Coon (Leo) and 5 month old Border Collie (Scout).
9. What do you do in your free time? Get crafty (I have an Etsy shop that keeps me busy), trying new local restaurants, reading and hanging out with friends.
10. What's one thing about you that few people know? I love Britney Spears – always have and always will!
