

## July 1, 2014 Luncheon

We are looking forward to our upcoming luncheon on July 1<sup>st</sup> at The Greencroft Club. We will have VAMA Lobbyist Brian Gordon, Delegate David Toscano and Delegate Rob Bell. An insider panel discussion on the current events and recently adopted legislation by the Virginia General Assembly is the topic of the day. The discussion will be moderated by our Legislative Chair, Trey Steigman.

## Fall Events and Education

This fall we are happy to be hosting an NALP Course in Charlottesville. We are also excited about our annual golf tournament in September. This event is hosted at Old Trail in Crozet. Each year we have beverages, food and contests. This is a great opportunity for networking and sponsorships.

## Past Events

Most recently we hosted a very successful Fair Housing Seminar with Chip Dicks. UVA's annual "Chuck It For Charity" program took place last month and went very well. Donations supported the Salvation Army, Goodwill, Habitat for Humanity and their programs.
