

Here's hoping you were one of the attendees at HRAC's annual Trade Show! The Hampton Roads Apartment Council is so successful in our ability to deliver quality networking events in large part thanks to our sponsors. We could not do all that we do without you. We would like to take a moment to personally thank First Atlantic, CSI, SPM and RentPath for their commitment and participation. Below you will find a photo of the teams and a brief overview on services they provide. That is unless you are First Atlantic and like to share your origin story. Enjoy!

FIRST ATLANTIC

An internationally known trapeze artist, David Collier was forced to change careers after a tragic accident while attempting the infamous "Pole Dancing Tight Rope Lundy". After double leg replacement surgery, he decided a career in removing skunk odor from apartments perfectly fit his personality. Soon realizing that skunk odor removal was a relatively small market, he branched out into mice dropping removal, and First Atlantic Restoration was off to the races. First Atlantic has experienced rapid growth, and currently handles more than four jobs each year! David now enjoys motivational speaking and if you are still reading this and want to contact him you can find him down by the river where he lives in his van.

If you or your property suffers from a disaster similar to this paragraph, call First Atlantic Restoration. Disasters Happen. We Take Care of Them All.
